Some days I wake up and feel like I want to die.

Whoops!
Some days I wake up and feel like I want to die.

Some days I wake up and feel like I want to die†.
that's what I meant to say.
(

My brain just does not work if I don't eat.
Some days I wake up and feel like I want to diet.

Now it's working!
Then I realize food makes me happy.

Screw diets!
